

Agras T30/T10

Main Components	Warranty Period
Aerial-Electronics System	12 Months
Spraying System	12 Months
RF Module	12 Months
Cable Distribution Module	12 Months
Power Distribution Board	12 Months
Motor	12 Months
ESC	12 Months
FPV Module	12 Months
RTK Antenna Module	12 Months
Omnidirectional Digital Radar	12 Months
Upward Radar	12 Months
Folding Detection Sensor	12 Months
Spreading System	3 Months
Spreader	15 Days
Flight Battery	Warranty Period
T30 Intelligent Flight Battery	1000 Charge Cycles or 12 Months (whichever is earlier)
T10 Intelligent Flight Battery	1000 Charge Cycles or 12 Months (whichever is earlier)
T30 Intelligent Battery Station	12 Months
T10 Intelligent Battery Station	12 Months
Remote Controller	Warranty Period
Smart Controller	12 Months
RTK Dongle	12 Months
DJI Smart Controller Expansion Kit	12 Months
Intelligent Battery Charging Hub	12 Months
USB Charger	12 Months
AC Power Adapter	12 Months
Intelligent Battery	12 Months
Easily Worn Components	Warranty Period
T30 Plunger Pump	3 Months or 300 Hours of Use (whichever is earlier)
T10 Delivery Pump	3 Months
2-Channel Electromagnetic Flow Meter	3 Months
Electromagnetic Exhaust Valve	3 Months
Liquid Level Gauge	3 Months
Airframe	15 Days
Spraying System (Excluding Delivery Pump, Flow Meter, and Electromagnetic Exhaust Valve)	15 Days
Propellers and Propeller Adapter	15 Days
Aircraft Cable and Charger Cable	15 Days
Dongle	15 Days
Other Accessories	15 Days
